THE NETHERLANDS

Held in the Oseven Meeting & Congress Centre—located in the Passenger Terminal Amsterdam near Amsterdam Central Station—this 1-day meeting provides a forum to discuss innovative developments in the field of health preference research. The meeting includes presentations, lunch, and a business meeting as well as an offsite, post-meeting dinner. Each attendee is responsible for making his or her own travel arrangements.

CALL FOR ORAL ABSTRACTS

The International Academy of Health Preference Research (IAHPR) is soliciting proposals for Oral Abstracts to be presented at the 1st Meeting in Amsterdam on 8 November 2014.

IAHPR welcomes submissions on a variety of health preference topics, including, but not limited to conjoint analysis in health, valuation of health outcomes, preference methods, and preference tools and technologies (e.g., advanced directives and decision aids). There will be time for approximately 15 presentations. Speakers will present their research in a 15-minute format, followed by audience discussion. Attendees and IAHPR members may view the presentations in-person or via live webinar. All presentations must be in English.

Submissions will be accepted until 24 June 2014. Notifications will be sent and comments will be provided by mid-August. All submissions will be reviewed by IAHPR members.

Interested researchers should submit online at www.iahpr.org
