

Call for abstracts

**2022 fall meeting of the Working Group on Health and
Development Cooperation of the German Society for Health
Economics**

Date of the event: October 25th, 2022

Time: 9.30 am to 4 pm

Venue: Heidelberg University Hospital
INF 370, Heidelberg

**Thematic focus: Learning from the Covid-19 pandemic for health
system strengthening in the Global South**

Abstract submission deadline: August 31th, 2022

Notification of acceptance: Sept 15th, 2022

We are inviting abstracts for the 2022 fall meeting of the Working Group Entwicklungszusammenarbeit (Health Economics and Development Cooperation) of the Deutsche Gesellschaft für Gesundheitsökonomie (German Society of Health Economics).

We invite abstracts on all themes relevant to Health Economics and Development, but will privilege abstracts related to the thematic focus of *Learning from the Covid-19 pandemic for health system strengthening in the Global South*. Under this umbrella theme, we welcome abstracts that concern a wide variety of topics, addressing research on Covid-19 and more broadly pandemic preparedness at global level, with focus on the Global South.

We welcome both scientific abstracts, describing conceptual frameworks, formative research and impact or process evaluation analyses, and practice-oriented abstracts describing experiences by implementers and their development partners.

We are unable to cover travel costs through the organization of the event, hence attendees have to seek own travel funding.

For any question pertaining to the scientific content and for abstract submission (by Aug 31st), please contact: Manuela De Allegri (manuela.deallegri@uni-heidelberg.de)
