

What do I need for the submission?

In this document you will find some information you need for the submission. Fields marked with * are mandatory.

- The **title*** may not exceed of 255 characters including spaces.
- **Financing:** If your presentation is supported by third-party funds or grants, you can enter the details here.
- **Speaker*:** The entry of one person is mandatory; further persons can be added. For each person entered, the salutation*, first name*, last name* and e-mail* are mandatory. Entering the organization is voluntary.
- **Authors*:** Please list all authors. For each person entered, their e-mail address is also required.
- **Talk/Poster:** Your entry can contain up to 2800 characters (including spaces) and should be divided into the following sections:
 - Introduction/Einleitung*
 - Methods/Methoden
 - Results/Ergebnisse
 - Conclusion/Zusammenfassung

Similar provisions apply to **organized sessions** with the following exceptions:

- For organized sessions, you also need the **names and e-mail addresses of all presenters**. However, you do not need the information on the co-authors (unlike for individual presentations).
- In addition, a **moderator** (name* and e-mail*) must be entered for the session.
- Besides the **title of the session***, we also need a general **description of the session***.
- A **short description*** of up to 2800 characters is required **for each presentation**. However, these do not have to be divided into "Introduction/Methods/Results/Conclusion". The short descriptions should be written in such a way that they can be displayed as an abstract in the conference program.
- The presentation language of the organized session is determined by the information you have entered in German or English.
